## *Paul Taub*

*(1952-2021)*

*commissioned by Beverly Owen*

*Paul Taub unexpectedly died of a heart attack on March 13, 2021. Paul was an excellent flutist, teacher, colleague, friend, and human being. He was an internationally acclaimed flutist and major proponent of contemporary music. We jokingly referred to ourselves as "twins" since we were both born on May 28, 1952 in the early morning. Paul commissioned and recorded a work of mine, "Trailblazers" in 1999. I am forever grateful to Beverly Owens for commissioning this work in honor of her teacher, Paul Taub.*

### **Performance Notes**

Instrumentation: flute in C and alto flute in G, piano

Score is transposed.

Duration ca. 7 min.

It may be necessary to amplify the Alto Flute. If so, please do it.

The pianist will need a hard bound book about 9 inches along the binding and about an inch thick (something like a hymnal).

Place the long binding edge on the strings (inside) about an inch or two on the far side of the dampers. Press firmly to mute the strings. The amount of pressure determines the exact timbre and that is the performers choice. Pressure can be changed to facilitate timbral changes throughout these sections.
